

The Masaka Borima Village Youth Association - Mum
Sub-Division - South West Region - CAMEROON.

Friday, 13th April, 2012.

> Collectively, we the youths, men and Women population have observed that, Our chief Ngor Johnson is for his personal and desire for financial reasons, signing documents in favour of JG, SGC, oil palm project, without the knowledge of the people.

> The forestland JG, SGC, intends to take is not the personal property of the chief and his family. We therefore condemn his actions and we the people of Masaka Borima; do

> do not support his intentions to give our village forest to an oil palm project, notably JG/SGC. This project should look for some forestland elsewhere for their plantation.
