Dear Ms. Mittal,

RE: NON RESTRICTION ON EXPORTS OF AGRICULTURAL PRODUCTS

We make reference to your correspondence dated 31st March, 2011 where you requested the Zambia Development Agency to assure you of the absence of restrictions on exports of your agricultural products.

I would like to thank you most sincerely for the interest you have shown in investing in Zambia. Please be advised that the Government of the Republic of Zambia does not restrict exports of agricultural products or any other products in general from the country.

The Zambia Development Agency (ZDA), on behalf of Government, promotes exports from Zambia and assists Zambian businesses and entrepreneurs in accessing new markets for their products within the region and globally. This is in conformity with subsection (1) of section (5) of the ZDA Act No.11 of 2006 of the Laws of Zambia.

The Government furthers economic development by promoting exports as this is major source of foreign exchange and employment creation. During 2010, Zambia recorded more than US\$7 billion worth of exports which included agricultural products.

Kindly get in touch with us if you require any further information.

Yours faithfully,
ZAMBIA DEVELOPMENT AGENCY
