

# MUNJEMBA III VILLAGE - MUNJEMBA COUNCIL AREA

NEAN Interview. SW Region. 04-05-2012

➤ Away with the <sup>SG</sup> Soe Project, for the few years they <sup>have</sup> worked with the populations we <sup>have</sup> discovered that the authorities and those who <sup>are</sup> behind S.G Soe Mung want to acquire farming land for themselves. They have to take away all the timber trees for their wealth. This project if it is allowed, it cause a lot of adverse conditions to our people and villages.
