> LIPENJA II BAIANGA VILLAGE MUNDUMBA
COUNCIL AREA: NAIAN DIVISION - 20/4/2012

> VILLAGE DECLARATION: We the population of the above mentioned village have from the beginning refused to accept S.G. Soe/Herekeles farms project because we have no forests to give out to the project. The little forest the Authorities/Government left to our live hood after the creation of Korup National Park and Rumpi Hill Reserve Forest, is for our farming activities and for future prospect of our children. We therefore make this declaration for the respect we hold for the FUTURE.
