Swine Contract Finishing

- Summit Farms manages and has ownership in 29 pork production sites, with over 150,000 pig spaces
- We have developed close relationships with three world class pork integrators
 - Smithfield
 - Christensen Farms
 - The Maschhoffs

• Manure from the swine operation benefits the row crop operation

Pork Production

Cattle Feeding

- Summit Farms finishes 8,000 head of cattle annually and feeds these cattle in Iowa, Nebraska, and Kansas
 - Open feedyards
 - Confinement barns
- Partnered with Poky Feeders, a top-tier feedyard in Scott City, Kansas

Office complex and Miller outside cattle feedyard

Conservation

- Summit makes conservation and sustainability a priority:
 - 75 miles of filter strips
 - 360 acres of hunting preserves
 - 15 acres of foot plots
 - 187 acres of wetland acres
