Dear Sir

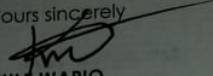

**RE: COMPLAINT BY ABDIRAHMAN OSMAN AGAINST THE NORTHERN RANGE  
LAND TRUST (NRT)**

The Commission is in receipt of the above captioned matter. The Complainant alleges that the above-mentioned private company has been pushing for establishment conservancies in the Cherab Ward of Merti-Sub County. That the said company is working in cahoot with the area Chiefs and a few community elders and that they have established conservancy boards contrary to the provision of Section 29 of the Community Land Act.

Further, the Complainant has lodged a separate complaint to the Office of the Deputy County Commissioner (DCC), Merti-Sub County and the Office of the County Commissioner, Isiolo County with regards to the involvement of the Chiefs in the unregistered community land; that the DCC has since responded to the said complaint. The community has even gone ahead and prepared a petition seeking intervention from your office and the same will be served in due course.

We have carefully examined the complaint and we are of the considered view that by dint of **Sections 5 (e) (h), S. 5 (2) (b) and S. 15 (4) (g)** of the **National Land Commission Act No. 5 of 2012**, your office is best placed to handle it. In this regard, we hereby refer it to you for your further appropriate action.

Yours sincerely
